Please see letter from Mr. Duval and the latest email chain with Ex. 6 Personal Privacy (PP), Ex. 6 Personal Privacy (PP) is copied on this email and I'll need to provide an update.

Can you add this to the Hair on Fire list for RAB? Please provide me an estimate of when this can be done. Thanks.

Yes, this is just a request to amend the CO. Please see the attached email chain. I don't think there's been any progress on this since then—we're still waiting on RAB.

Can you provide me some background on this? Mr. Duvall calls this a petition but it looks like is a request to amend the CO for this PMN.

Ex. 6 Personal Privacy (PP) is copied on this email so I will need to send the background/update to OPPT.

Subject: Supplemental Request for Assistance to Complete EPA Review of Petitions to Amend Section 5(e) Order for PMN P-16-0543

Ex. 6 Personal Privacy (PP) I wrote to you a month ago about two petitions to amend the section 5(e) order for P-16-0543. Those petitions have been pending before OPPT for more than a year. The CBI version of the attached letter is available via CDX.

I particularly call your attention to the second petition, which relates to an important climate-related priority of the Biden-Harris Administration. If EPA can see its way to grant this petition, which is unlikely to be controversial, the PMN submitter would be able to move forward promptly to advance that priority.

Please have your staff contact me about the current status of EPA's evaluation of these petitions.
